PROFILE

Passionate MERN Stack Developer with 3+ years of experience in building scalable, responsive, and high-performance web applications. Specialized in MongoDB, Express.js, React.js, and Node.js, with a strong focus on clean code, intuitive UI, and seamless user experience. Experienced in developing dashboards, admin panels, and dynamic web apps, integrating secure APIs, and optimizing performance. Highly motivated, detail-oriented, and committed to delivering production-ready solutions.

WORK EXPERIENCE

Fantech Lab Okara

FEB 2023 – DEC 2023
